

### EU Declaration of Conformity – Pulsar Measurement TTFM 6.1 Transit-Time Flow Meter

This declaration of conformity is issued under the sole responsibility of the manufacturer.

|                        |                                                                                                                                                                                                                                                                         |
